

You can login using details that you have been provided by going to the following url:

<https://www.ruralnetwork.scot/user>

You'll be presented with a login screen.

Enter the username and password you have been provided.

A screenshot of a web form titled "User account". At the top, there are three buttons: "Create new account", "Log in", and "Request new password". Below these, there are two input fields. The first is labeled "E-mail *" and has a red asterisk. Below it is a text input box. Underneath the box is the text "Enter your e-mail address.". The second input field is labeled "Password *" and also has a red asterisk. Below it is a text input box. Underneath this box is the text "Enter the password that accompanies your e-mail.".

E-mail *

Enter your e-mail address.

Password *

Enter the password that accompanies your e-mail.

Once you are logged in you will be on the LAG homepage, where there will be useful information and downloads.

You will also see an admin bar at the top of the page:

Hover over **EOI by LAG** tab.

To see an overview of results click on **EOI by LAG Results** in the dropdown.

EOI by LAG results

To download results, click on **EOI by LAG Download** in the dropdown.

EOI by LAG result
download

The file will automatically download and you will be able to open it up using Excel.

You can get back to the LAG homepage to see any information and documentation by clicking **LAG home** in the dropdown.

LAG home

Changing password

To change your password, click on your username in the admin bar

You will then be presented with your details. Click on the **Edit** tab.

Enter and confirm your new password in the password fields.
